One of the largest hat manufacturers in the world-located in Philadelphia-making hats to retail at \$4 and \$5 only, have turned over to us again this season their entire stock of "Seconds' at a price that makes the above offer possible. All strictly this season's blocks.

Now, we'll tell you what constitutes "Seconds" in hats with this factory. Any hat after being scrutinized by their expert that develops the very slightest imperfection becomes a "Second," and these are the hats we put on sale to-day at \$1.90 instead of \$4 and \$5. We challenge YOU to find any imperfection, so perfect are they to all intents and purposes.

This sale is bound to be a hummer, so you'd better drop in early.

As to the conduct of Mr. Glavis dur-

office, the report declares that he had sufficient time and abundant assistance to make the field examination which he had demanded.

Commenting upon the blanket withdrawals of public lands which were made by James R. Garfield, when Secretary of the Interior, the committee says this action was taken by him atter "he ascertained that he would not be retained under President Taft." It is stated that these withdrawals were made "haphazard" from the mere inspection of the Land Office State maps. Restorations and rewithdrawals by Secretary Ballinger were indersed.
